It's birthday time for Unicorn! A party might be nice ... but uh-oh, what awful surprises might his friends have in store?

- Endearing and funny.
- Celebrates individuality and uniqueness.
- Promotes understanding, sensitivity, and kindness.
- For unicorn lovers of any age!
- Fun read aloud.
- Companion volume to *Unicorns Don't Love Rainbows* (KM 2022).

NOT love sweet food.  
No, I'd prefer peas.  
maybe some broccoli  
covered in cheese?

I do not love ice cream  
or sprinkles or jelly -  
who wants that stuff  
wobbling around in their belly?
